Career

Current Post

Associate Professor, Philosophy Department, Kyung Hee University, Korea

Honorary Research Associate, Centre for Time, Philosophy Department, Sydney University, Australia

University Career

- Ph.D. Seoul National University Mar 1997 – Feb 2003
Interdisciplinary Programs in the History and Philosophy of Science.

Ph.D. Thesis, *Causation, Conserved Quantities, and Dispositions*

Research Topics: philosophy of science, causation, dispositions.

- M.S. Seoul National University Mar 1995 – Feb 1997

School of Physics, College of Natural Sciences.

- B.S. Seoul National University Mar 1990 – Feb 1995

School of Physics, College of Natural Sciences.

Employment

- April 2008 – August 2012. Associate Professor, Philosophy Department, KyungHee University, Korea

- September 2007 – June 2010. Assistant Professor, Philosophy Department, Queen's University, Canada

- September 2006 – August 2008. CHASS (College of Humanities and Social Sciences) Research Fellow, Centre for Time and Philosophy Department, Sydney University, Australia

- September 2005 – August 2006. Fixed-term Lecturer, Department of History and Philosophy of Science, University of Cambridge, UK

- March 2003 – February 2004. Research Fellow at SCRC (Science Culture Research Center), Seoul National University, Korea
